

Dear Potential Corporate Member:

Are you looking to do business or partner with First Nations in Ontario but not sure where to start? Having troubles getting a First Nations audience for your product, service or event? Then becoming a corporate member with the **Ontario First Nations Economic Developers Association (OFNEDA)** could be the answer!

OFNEDA can assist your organization by creating interest in your products and services among First Nations across Ontario through our communication channels. We can also assist your organization to ensure you have cultural awareness of the community customs and traditional protocol, as they will vary for each First Nation community across Ontario and Canada.

Becoming a corporate sponsor will give your organization the following benefits:

- ✓ *Your logo and company website link on OFNEDA's website and social media platforms*
- ✓ *Honorary position on OFNEDA's Corporate Committee which entitles you to invitations to our AGM, Economic Development information sessions and annual conference (FNEAC 2017) hosted by OFNEDA*
- ✓ *An opportunity to participate in the tradeshow at FNEAC 2017*
- ✓ *Free job postings and tenders on OFNEDA's website*

ABOUT OFNEDA

The Ontario First Nations Economic Developers Association (OFNEDA) is a membership based, not-for-profit incorporation that was established in 2009. Our membership is comprised of the **133 Economic Development Officers/Practitioners in Ontario**. OFNEDA's members represent a group of professionals with a common goal of enabling and fostering economic development in First Nations communities. We provide our members with access to a growing network of industry professionals, business developers and investors to improve communications, create economic development opportunities and forge strategic partnerships.

MISSION STATEMENT

The Ontario First Nations Economic Developers Association (OFNEDA) will support a working environment and research centre that will enhance and promote economies that are viable and culturally sensitive, as defined by each First Nation community.
